

FISHER

Ken Fisher | FISHER INVESTMENTS | Family Office

Focus on technology \$133B

Fisher Investments is a fund based in Palo Alto, CA, serving silicon valley wealthy customers from around the Bay Area.

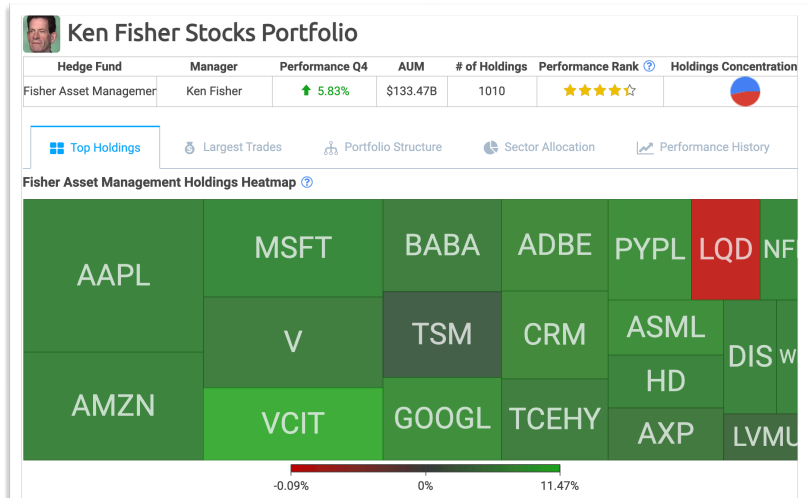

Changing to technology focus

The fund has recently outperformed thanks to its technology overweighted strategy. The fund bought both, domestic and international technology stocks and is betting on a fast recovery in asian growth stocks.

Teaching others.

Ken Fisher is a silicon valley guru, who provides advice and consults ultra high net worth investors from the Bay Area. He's a financial columnist, having published in publications around the globe, in Europe and Asia.
