“Less is more”

\$7.5B

Pershing Square capital is a hedge fund focused on consumer discretionary stocks.

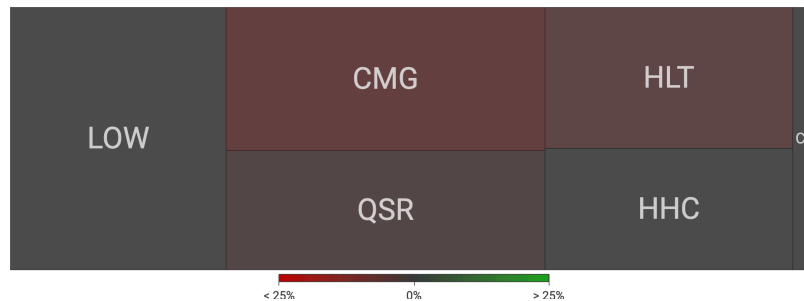

Liquidating many holdings

The fund has recently liquidated many of its holdings , specifically in the high tech sector. In 2022 - Pershing Capital has lost quite a lot of returns on Netflix - and liquidated the holding at a huge loss.

Unknown future.

The future of Pershing Square is unknown. This hedge fund went through restructuring and was said to pay back some of it's investor's contributions.
